ORDER PROCESSING

Please allow 24-48 hours for order processing. Same-day shipping cannot be guaranteed.

DROP SHIP MINIMUMS

If products are labeled as 'Drop Ship Only', customers will need to meet the specific regional minimum for that particular brand. Please note that these items cannot be combined with separate orders shipping from LCW.

DELIVERY POLICY

ALL special services, including lift gate and residential or remote delivery fees, will be billed to the customer. This includes inside delivery, remote delivery location, sorting and segregating, detention, redelivery, or anything other than receiving the shipment from the rear of the carrier's trailer.

The customer is solely responsible for verifying the condition, accuracy, and count of items at the time of delivery in the presence of the carrier. Left Coast Wholesale cannot accept claims for damage, errors, or shortages without documented proof. Claims may be denied if damage, error, or shortage is not noted on the delivery receipt at time of delivery. The customer is responsible for noting at the time of delivery which pallets or items have been received and which are missing, incorrect, or damaged. Claims for concealed or internal damage, errors, or shortages that are not identified at the time of delivery must be submitted to Left Coast Wholesale within 24 hours of receipt and are subject to review with no guarantee of approval. Contact your Left Coast Wholesale sales representative for more information.

Only applicable to commercial addresses in the contiguous United States. No shipping to International or US Territories. The LCW Free Shipping Minimums are subject to change and may be updated, replaced, or canceled by Left Coast Wholesale at any time.
