

Rainbow Mix Pro

Grow 8-6-3 w/ 5% Calcium — Bloom 2-14-2 w/ 12% Calcium

The 'MOST' Complete Soil Amendment:

- Spread via hand or backfill.
- ZERO burn potential.
- No excess salt residues.
- Ideal for compost teas.

Key Ingredients:

- Guano*
- Bone, Feather & Cottonseed Meal
- Potassium Sulfate
- Langbeinite
- Kelp
- 16 Strains of Mycorrhizae
- 13 Species of Microbes
- Humic Acid

Primary Benefits:

- Compatible with all Earth Juice® & competitive growing systems/nutrient lines.
- Ease of use.
- Enhanced soil biology.
- Improved nutrient uptake.
- Sustained feeding.
- Robust yields.
- Enriched oil, fragrance & trichome production.
- Increased terpene profiles.

Available Sizes:

5lb. - 20lb. - 40lb. - 2000lb.

Application Options/Rates per Gallon of Soil:

- Use as a pre-mix, broadcast fertilizer, soil booster or plant tea.
- Mild: 1 Tbsp-3/8 Cup
- Medium: 2 Tbsp-3/4 Cup
- Strong: 4 Tbsp-1 1/2 Cup (Cannabis)
- Apply every 10-12 weeks throughout the growing season.
- Formulated to be used on indoor or outdoor plants.

Tote coverage per acre:

- 1 tote will cover 1 acre at standard dilution rates.
- Custom totes are made to order.

Products that accompany Rainbow Mix Pro:

- **Xatalyst** A fermented product made with Hi-Brix Molasses, kelp, bran & yeast. The enzymes created during fermentation can be applied at any point during the grow to improve nutrient uptake.
- **Hi-Brix** Our prized molasses carries a 72% brix count which feeds all the necessary soil biology. Furthermore, it can be used during foliar applications and is an ideal tea partner.

For use with:

Cannabis, Hemp, flowering & fruiting plants, vegetables, herbs, bulbs, annuals, perennials, shrubs and trees.
