

GROWTH SCIENCE® ORGANICS

A mermaid with long, flowing brown hair and a pinkish-orange tail is depicted against a deep blue background. She holds a transparent globe in front of her chest, which contains a small green plant with a brown root system. The mermaid is surrounded by stylized, golden-yellow seaweed with bulbous tips. Bubbles are scattered around her.

Abundant-Sea™

0-0-3

9.46 L (2.5 Gallons) / Net Wt. 26.07 lbs (11.82 kg)

Macrocystis integrifolia, commonly known as Giant Pacific Kelp, is one of the fastest growing organisms on earth. It's also one of the many secrets behind **Abundant-Sea™**. The more successful the vegetative stage, the more fruits and flowers your plant will be able to produce. It is this extensive mixture of natural ingredients within **Abundant-Sea™** that helps plants to reach their full vegetative growth capacity.

Growth Science® Organics strictly follows NOP (National Organic Program) guidelines, and all products in the **Growth Science® Organics** line are Organic Input Materials according to these strict standards.

For Best Results:

- Use along with **Grow, Root Magic®**, and **Humic Tonic™** throughout the vegetative period of growth.
- Adjust the final pH to 6.2-6.5
- Reverse osmosis water is recommended.
- Flush growing media as needed.

Mixing Instructions:

Use 5-10 mL per gallon of water throughout flowering growth phase. Foliar feed 2.5 ml per gallon.

For a detailed feeding schedule please refer to our website www.growthscience.com

Liability Statement: In no case shall the manufacturer or seller be liable for consequential, incidental, special, exemplary, or indirect damages resulting from the use or handling of this product. Any and all damages claimed shall be limited to the purchase price of this product.

Deep in the mountains of Santa Cruz, California, a team of plant enthusiasts set out to create high quality plant nutrients. With visionary thinking and scientific process that goal was achieved. **Growth Science® Organics** is designed to help your plants reach their highest potential.

0 - 0 - 3 GUARANTEED ANALYSIS

Soluble Potash (K₂O).....3.0%

Derived from:

Fermented plant material (Alfalfa, Nettle, Horsetail, Dandelion, Comfrey), Kelp Extract (*Ascophyllum nodosum*, *Macrocystis integrifolia*, *Macrocystis pyrifera*, *Gelidium robustum*), Potassium Hydroxide (as extractant).

Also Contains Non Plant Food Ingredients:
0.5% Yucca Extract
